

Health and Safety Policy Statement

It is the policy of Extreme Adventure Ltd. to ensure, so far as is reasonably practicable, the health, safety and welfare of our employees whilst they are at work, and also the health and safety of our customers, plus any others who may be affected by our undertakings.

It is the Company's intention to provide a safe and healthy work environment for all employees and safe environment for our customers in order to achieve an accident-free area.

We will endeavour to:

- Provide and maintain safe working environments without risk to health and safety
- Set standards that comply with all relevant statutory requirements relating to health, safety and the environment with regard to their effect on employees & customers
- Safeguard employees and customers from foreseeable hazards with regard to health, safety or the environment in existing processes and working systems
- Ensure that when new equipment, processes or premises are introduced, adequate guidance, instruction and supervision will be provided for safe methods of operation to be developed
- Ensure all employees are aware of their own responsibilities in respect of relevant health, safety and environmental matters
- Aim to achieve the commitment and active involvement of all staff, in order that safety awareness and positive attitudes are fostered and continuous efforts made to improve safety performance
- Co-operate with appropriate authorities and technical organisations, both to ensure that policies are updated and to contribute to the formulation of standards and means of compliance
- Retain, and review as necessary, existing arrangements for safety meetings to maintain effective consideration of health and safety measures
- Ensure that these objectives are being fulfilled through auditing activities, both internally through competent assessors and also by external consultants
